We're Downtown Revitalization, we're open for business, and we hope you'll take a little time to visit our new Facebook page. We've launched it as Norwich Downtown Revitalization or you can reach it directly through a link on this web page. It's a fun, easy way to stay on top of what's going on downtown. You'll see a Monday Hello post, a Tell us Tuesday post, a Wednesday at the Market post, a Thursday Thinker post which is sure to get you thinking about Norwich in an entirely new way, and soon you'll see a Weekly Riddler. So, stay informed - we'll be watching for you!
